LTUBC Playing Shirt Number Policy

- At this stage, the club does not have any retired numbers.
- Playing Shirt numbers may only be allocated to active playing members.
- Numbers will be allocated based on the following priority:
 - Life Members who are current players
 - Years of service and playing history
- Playing Shirt numbers will be reassigned after two (2) years of non-membership.
- Holding a social membership will be considered as maintaining membership status.
- If a player is **cleared** to another club their Playing Shirt number will be reassigned immediately.
- If the clearance is outside the MWBL, this may be subject to appeal; however, social membership must be maintained to support any claim.
- Every effort will be made to avoid duplicate numbers.
- Duplication will only be considered where:
 - There is no possibility of both players taking the field in the same game, and
 - The original holder of the number provides consent.
- The following numbers are not available: 0, 00, and 69.
- Only two-digit numbers may be issued.
- Any matters not covered by policy will be determined at the discretion of the Executive.
